

Join America's favorite teacher, Mr. Chazz, as he helps parents and teachers navigate the challenges and triumphs of raising and teaching children! His podcast, Learning Curve with Mr. Chazz, gives tips for fostering patience and empathy for ourselves and the kids in our lives. It's an incredibly supportive space in podcasting for parenting tips and teaching wisdom. Mr. Chazz says "avoid being a perfectionist, become an improvenist, the goal isn't to be perfect every day, the goal is to just be a little bit better every day."

We love Mr. Chazz's powerful message, and are thrilled to feature him as a social account to follow. Make sure to check out his podcast, Youtube channel, Facebook, and Instagram for all the parenting tips and tricks.
